J EUGENE McATEER 1916-1967
THE STATESMAN

PRINCIPAL

This Yearbook is the first to be published by McAteer High School and represents the first official graduating class and a full contingent of the Student Body. It could be termed as a "Collectors Item" because it is the beginning of an institution of learning, one which will continue for years to come.

The students, faculty and administrators should deem it a distinct honor to be a part of J Eugene McAteer High School because it is named after one of the most distinguished Senators of the century of the State of California. All traditions were broken in the naming of the school because of the terrific impact that the late Senator McAteer had in the field of Education.

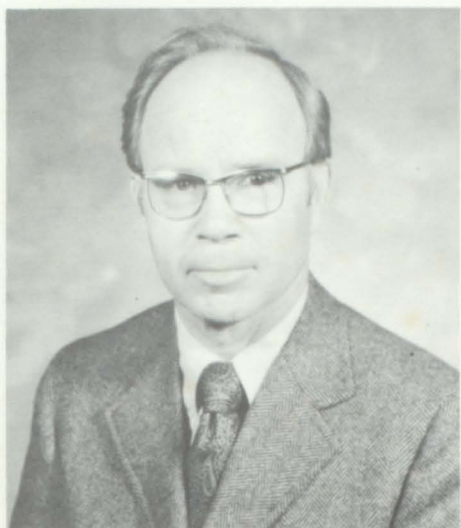

Our First Yearbook tells our story and future generations will be able to know of our beginnings and what we basically stand for in our endeavors.

My congratulations to the graduates, students, personnel, faculty and administrators of J Eugene McAteer High School on their distinguished services.

J EUGENE McATEER HIGH SCHOOL

SAN FRANCISCO, CALIFORNIA

1974-1975

Frances McAteer accompanied by Mayor Joseph L. Alioto at the Inauguration Ceremonies of J Eugene McAteer High School in San Francisco.

A dedication by a public official for the opening of a new school is a rare event, since such events usually come once in a life time. This dedication has a definite significance since the name of the school is in honor of a man who not long ago was amongst us and giving his all for education in the California State Senate.

J Eugene McAteer, the Senator, had a short career in politics, but that career was solumnly dedicated. In the field of Education he authored many Bills in the Senate which today have been put into practice successfully. In short, he was a man of outstanding ability, dedication, integrity and one whom we should all remember.

J Eugene McAteer High School is a monument to his memory and I therefore join with his family, his friends, the students, faculty and administration in wishing success in the future to the school that carries this great name.

A handwritten signature in cursive script that reads "Joseph L. Alioto".
Joseph L. Alioto
Mayor.

Superintendent's Message

As Superintendent of the San Francisco Unified School District, it is a distinct honor to have a new high school dedicated during my administration.

J Eugene McAteer High School embodies in it all of the latest technical innovations in education. The integration of the various factions in Education make it the most unique school not only in the City, but throughout the State of California. Its opening signals a new era in Education, one that with the proper administration and guidance can become a model for future institutions.

The traditions set by the late Senator J Eugene McAteer are a solid basis for the school and it is my fond hope that these traditions will be carried forth in the manner befitting the name that the institution carries.

Congratulations to the first graduating class. The future is yours and the education that you received here will benefit you throughout your lives.

A handwritten signature in dark ink that reads "Steven P. Morena". The signature is written in a cursive style with a large, stylized 'S' and 'M'.

Steven P. Morena
Superintendent of Schools

THE WHITE HOUSE
WASHINGTON

Independence Day, 1975

On July 4, 1975, America will observe its 199th anniversary of independence.

As we approach the threshold of America's third century, and as we join in Bicentennial celebrations, it is appropriate that we look to the future as well as the past.

Just as our forebears could not have dreamed of the events which crowded the first two centuries of the American experience, we cannot be certain what the third century holds for America. We will face new opportunities, challenges and goals as a Nation.

But as we prepare for the future, we can draw strength from the past. Our ancestors, starting out with little more than faith in themselves and hope for a better life, won for us our independence and brought forth a Nation unique in both its performance and its promise.

With similar faith and hope, and with the same hard work, ingenuity and determination that earlier Americans displayed, we can look forward with confidence to a third century of unprecedented progress and achievement for America and Americans.

ANNUAL SENIOR ACADEMIC AWARDS

BY JAMES SANDERS

J Eugene McAteer's First Annual Academic Awards Program, for graduating seniors, their families and friends was held at the Cafeteria at 7:30 p.m. on Monday, June 2. Mrs. J. Eugene McAteer (Frances) and other distinguished guests from the community attended the ceremony to honor the members of the Class of 1975 who were the recipients of over \$60,000 in scholarships and awards for high achievements in a wide variety of fields.

Seniors who were honored, besides the 21 State Scholarship winners who had been awarded from \$190.00 up to \$2,500.00 in financial assistance, included seniors who had won cash awards of \$75.00 to \$500.00 in city-wide competition for community organization scholarships and those who had been awarded grants and scholarships of \$300.00 to \$2,500.00 by the University of California, San Francisco State and other institutions on the basis of high scholastic achievement and financial need.

Another important part of this Program was the recognition of academic excellence by departments. Seniors who, in the opinion of their instructors and department heads, had excelled in Science, Math, Foreign Language, Social Studies, English, Business, Art, Music, Industrial Arts, Home Economics, Naval Science and other areas, received certificates of achievements presented by faculty members. Also, those graduating seniors who had earned Life Membership in the highly regarded California Scholarship Federation by having maintained a 3.50 (A-) grade point average in a University Preparatory Program for at least four of their six semesters at McAteer, received special recognition, according to Mr. Robert Winkley, CSF Sponsor.

THE SOCIAL BEING

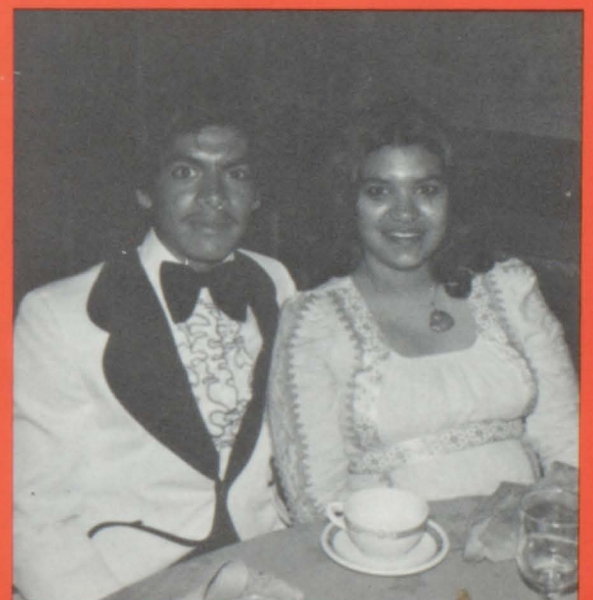

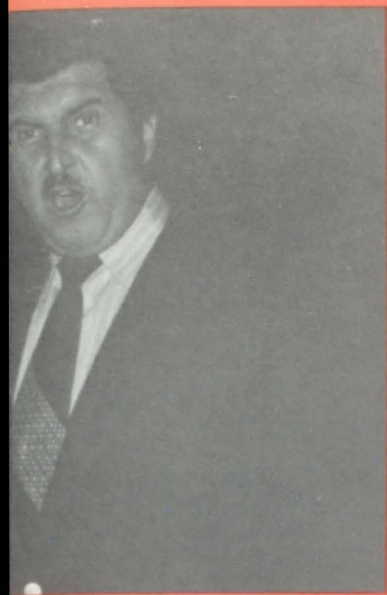

Gene McAteer loved people, places and things.
That's what made him great.

THE SENIOR-JUNIOR PROM—
IT WAS TERRIFIC...

REMEMBER ME

By Loret Hohl

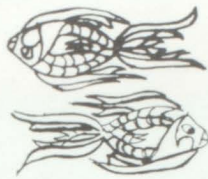

ORGAN MUSIC'S PLAYING
THE TUNE I WROTE MYSELF.
NEVER HAS SUCH A FEELING COME OVER ME,
IT'S THE GREATEST SHOW IN UNIVERSAL HISTORY.
YEA, SHOWERED IN GLITTER AND GLEE
I'M A GRININ' MELOTRONIC MAJESTY.
GONNA GIVE IT TO YA - ALL GLORY BE - GOTTA DO IT RIGHT
MIGHT BE THE LAST ACT OF MINE YOU'LL EVER SEE.
NEON-ROWDY IN THE FINEST ELECTRIC HARMONY
BATHED BRIGHT IN MULTI-COLOURED LIGHT
SUCH POWERFUL MAGIC THE MUSIC HAS TONITE!
OH, BEFORE MY EYES THOUSANDS WEEP
WHAT A FINE LAST MEMORY MY HEART ALLOWED TO KEEP.
YES, THEY'VE LOVED ME THRU ALL MY SINGIN' YEARS
CAMERAMEN CAPTURE THEIR EVERY TEAR.
TRUE, WE'VE NEVER REALLY MET, BUT THEY'LL MISS ME WHEN I'M GONE
OH, I HEAR DYING IN MY EARS
AS THE MUSIC PLAYS ON.

A WORRIED THOUGHT CREEPS INTO MIND
AH, GRANTED, I SING MY SONGS QUITE WELL,
ALWAYS CLEVER, WITTY, AND RHYME
SUCCESS HAS ME HOTTER THAN HELL
BUT I'M RUNNIN' OUTTA TIME.
WHAT SECRET IN LIFE WAS I SENT HERE TO FIND?

I'VE FAME AND FORTUNE - EVERY MAN'S DREAM
LEARNED IT'S NOT AS FUN AS IT MIGHT SEEM.
GETS TO BE BLOODY BORIN' SHOW AFTER SHOW
WHEN YOU'VE CLIMBED THE HIGHEST MOUNTAIN, THEN WHERE DO YOU GO?
BUT ALL IN ALL, I THINK I'LL REACH THAT GOLDEN-TRUE YELLOW BRICK LANE
I'M JUSTIFIED FOR MY WILD HEARTED VEIN
'CUS HEAVEN KNOWS I'M JUST CRAZY TO KEEP SANE.

DIRGE THRU FLOATING SPECTRE MELODY
SMILING FRIENDS TONITE STILL MASTER MUSIC WELL
BUT IN THEIR HIDING EYES I SEE - I KNOW
THIS WILL BE MY FINAL SHOW.
'CUS ALL THE BELLS WORTH RINGING HAVE TOLLED BY NOW
ALL OFFERINGS BURNT LIE DUST ON THE SEA.
I'M GOING DOWN A LEGEND
THAT'S HOW THEY'LL REMEMBER ME.

THE ESAA PROGRAM

ESAA, the Emergency School Assistance Act, is a program funded by the federal government to lessen student, parent and faculty anxiety caused by the desegregation and integration of the San Francisco Unified School District. At McAteer the ESAA staff consists of two individuals: Mr. David A. Harradine, Counselor Activity Specialist and Mrs. Daisie Flor V. Harrison, Community Relations' Assistant.

Mr. Harradine's role in the school has been defined as 1) counseling with student of varying ethnic backgrounds; 2) increasing positive in-school student involvement through multi-cultural activities and 3) working with the Student Advisory Committee to bring their concerns regarding the school and community to the proper individuals.

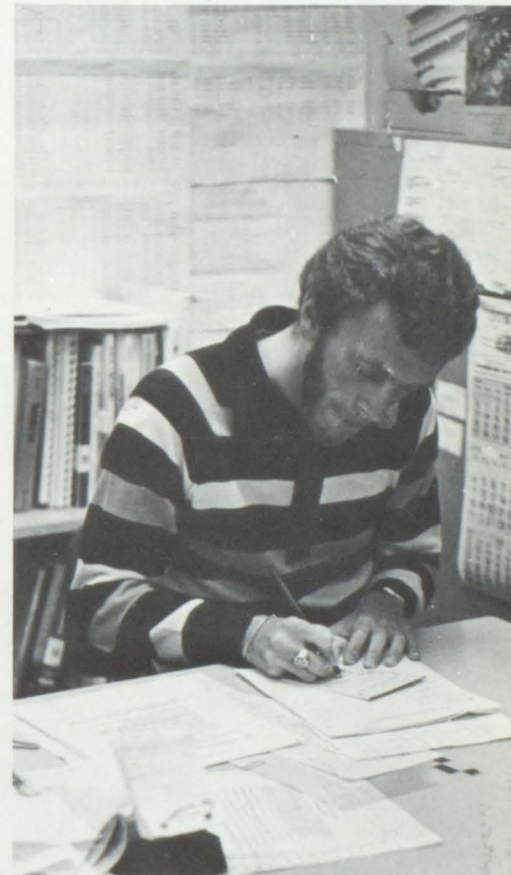

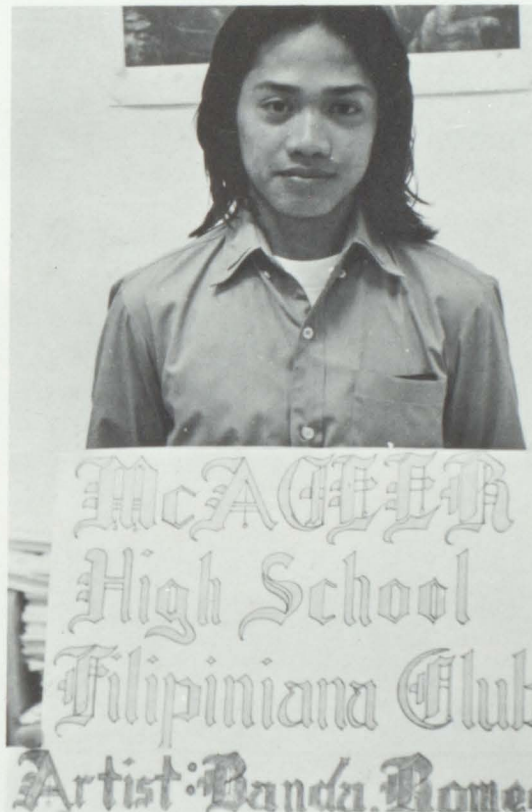

Mrs. Harrison, long-time active as a McAteer parent and community member, is ESAA's Community Relations' Assistant at McAteer. She is a key link between the home and the school and is willing and able to provide information desired by individual parents about the school.

Daisie Flor V. Harrison, Community Relations Assistant in Action.

Joanie Harrison, Ethnic Queen of McAteer High School.

David A. Harradine, Counselor Activity Specialist hard at work on Ethnic Program of ESAA.
